

Document Delivery Service – Past Question Papers

Document Delivery Service for Past Question Papers

If the past examination question paper you need is **not available in the library repository**, you can request a soft copy through our **Document Delivery Service**.

How to Request

1. Visit the Library

Come to the library and inform the library staff that you need a past question paper that is not available in the repository.

2. Provide Your Requirement

Mention the details of the question paper you need, such as:

- Degree name
- Year
- Semester
- Faculty/Programme

3. Provide Your Email Address

Write your **email address** clearly on the request/document so that we can send the requested question paper to you.

4. We Will Process Your Request

Library staff will check the availability of the requested past question paper.

5. Receive the Soft Copy

If the question paper is available, the soft copy will be sent to your **provided email address**.
